**AUGUST 2010**

From the Co-ordinator

There is certainly a lot going on at the moment - difficult to fit it all in the newsletter. Check the SALA booklet for more exhibitions across town.

The next exhibition at Gallery M is 'Storylines 2' - a whole gallery featuring the artwork and associated items by children's book illustrators. It will be a fabulous show - don't miss it!

Red House members - start thinking about your artwork for the next group exhibition - half gallery 29 October - 19 November. Titled 'The Art of Giving' - all works will have to be priced at \$250 or less, and any sold work can be taken by the purchaser before the end of the exhibition. Replacement items can be put in by the artist for sold work. We are hoping to take advantage of pre-Christmas shopping, so keep that in mind when creating your work. Entry Forms will be included in the next mail-out.

You are probably aware of the new swim centre going up over the road from Gallery M. I was fortunate to go on a guided tour last week; it is an amazing building site, and when complete will have a GP Plus Centre and multi story carpark in addition to the State Aquatic Centre. If you would like to be contacted when the next tour is on, let me know. My pic shows one of the two full sized pools under construction, looking towards the diving tower with the Marion Cultural Centre in the background.

Hope to see you soon - especially at the AGM on 26 August.

Julie
