November 2010

From the Co-ordinator

Hi all - not much space or time for a lot of information this month. I am still hoping for some assistance from a willing member to put this Red House newsletter together - ideally you would have an understanding of Indesign or a similar program, and have some time in your own environment where you could put the provided information together.

We are also needing some more volunteers to assist in the gallery and shop. To operate efficiently we need at least one volunteer to support the part time staff member on duty - if you have a few hours to spare and would like to be more involved in a friendly, arty environment, please give us a call. You don't have to make a regular commitment - you can pick a time and day that suits you. Any assistance will be much appreciated, and you will meet other like minded people.

Hope to see you soon
Julie
