June 2011

From the Co-ordinator - Hi fellow Red House members

It's hard to believe - we are nearly half way through 2011; we are working through the Gallery M timetable with some great exhibitions coming up, and have started booking the exciting program for 2012. If you are interested in exhibiting, either as a solo artist or as a group with other like minded artists, get your Exhibition Proposals in as soon as possible. General info can be collected at Gallery M, or from www.gallerym.net.au

I noticed today that nominations are now open for the 2011 Ruby Awards, which celebrate artistic excellence, creative achievement, innovation, community involvement and inspirational leaders who have made a difference to the artistic and cultural life of South Australia - and beyond.

Long time RHG member Ian Willding and I have attended the award presentation evenings over the past few years, and always comment that the Red House Group would be a worthy candidate for an award. If we nominate ourselves this year, we will have to complete our entry by 24 June - and this is where I need help FROM ALL OF YOU!

For the category of 'Sustained contribution (organisation or group)' there are various questions to be answered (I have included these questions on a separate sheet in this mailout). If any of you can provide a written comment relating to any of these questions, (even one sentence, one observation) it will help to create a truly inclusive response to our nomination. Please assist with this - email or send your ideas back to Gallery M as soon as possible.

You will note that invoices for RHG member 2011/12 renewals are included in this mailout - please pay as soon as possible.

You might also start to think if you would like to become involved with the Group as a member of the Board of Management, assisting with the operation of Gallery M. The AGM is scheduled for 22 September this year, hopefully encouraging a few more of you to attend as the weather warms for spring.

I look forward to seeing you all again soon - especially at the next opening on the evening of Friday 10 June.

Regards - Julie

pic of the month

Two the most popular people at every exhibition opening - Lou Ginsberg and Bev Whittington pictured here serving drinks at the "bar" in the foyer at the opening of the recent "Wild Fibres" exhibition. It's not unusual for the crowd to be at least two-deep due to the excellent service from the volunteers and the fabulous wines and non-alcoholic fruit juices provided generously provided by Patritti Wines, where would we be without them?
