September 2011

From the Co-ordinator

Hi fellow Red House members

You only have until 28 August to see the current RHG member exhibition '7teen' at Gallery M - a great display of quality works by over ninety of you. With SALA on at the moment, there is so much good art to see, but this exhibition is very impressive. Artist will be demonstrating various techniques in Gallery M from 2pm, Sunday 28 August.

As always, there is a lot of work setting up such a large exhibition, and I would like to thank a couple of "newbies" to the set up team - Michael Lemm's and Roger Trevor's input was much appreciated. As you know, we rely on the support of our Red House volunteers for a variety of tasks associated with operating Gallery M, and new helpers are always very welcome.

This also applies to our shop volunteers - you do not have to commit to a regular day, or a certain number of times a month to assist - most of our volunteers fill in the roster diary on a 'visit by visit' basis. It is a friendly, informal atmosphere - and of course, there are always interesting things to look at!

Another way that you can become involved with the Red House Group and Gallery M is to join the RHG Board of Management. The Board meets on the third Thursday of each month, and is responsible for the effective operation of Gallery M, as well as overseeing the activities of the Red House Group.

Nomination forms for the Board are included in this mailout on the AGM notice - if you would like more information we can put you in touch with a current Board member to discuss any queries you may have. The AGM will be at 7.30pm, 22 September.

I look forward to seeing you all again soon.

Regards - Julie

'Drawing Conclusions too'

HALF GALLERY

28 October - 18 November 2011

Following the success of the exhibition 'Drawing Conclusions' in 2006, this half gallery exhibition is focused on drawings. As the quote (below) mentions, drawings can be made in all types of ways, so set out with whatever medium you prefer and create something special.

Entry forms will be included in the next mailout, or to make sure you are included, collect a form & pay your entry fee next time you visit Gallery M.

Forms are also on the Red House pages at www.gallerym.net.au

'Drawing is such a vast, ancient, elemental human thing.....some surfaces are so lusciously seductive that even non-artists can't resist inscribing them: frosty windows in cold weather, dried mud on car windows, the dust on the top of wardrobes and high shelves.

Drawing is a phenomenon, something to marvel at, an attitude, a mode of thinking, an idiom of primary, perceptual experience and pure invention. Drawing is inevitable, like death and taxes.'
