

A landscape photograph showing a field of tall, thin grasses in the foreground and middle ground. The grasses are a mix of green and brown, suggesting some are dry. In the background, there is a dense line of green bushes or trees. The ground is covered in green grass with small yellow flowers scattered throughout. The overall scene is a natural, outdoor setting.

The Field River by **Robert Miller**

12 March - 11 April 2010

The Field River
